Printing: print on thick paper (200–250 gsm). For card backs, print the back page on the reverse side (flip on the long edge). Cut on the dashed lines and laminate if you like.

1. Memory (ages 3+)

1. Pick 6–8 letters. Use the capital and small card of each letter.
2. Mix them and place them face down.
3. Turn over two cards. If they match (A and a), keep them and go again.
4. Say the letter and its sound every time you find a pair!

2. Letter & Picture Match (ages 4+)

1. Lay out the picture cards face up.
2. Take a letter card and find the picture that starts with it (B → ball).
3. Harder: use the small letters only.

3. Go Fish (ages 5+, 2–4 players)

1. Use capital and small cards. Give each player 5 cards and put the rest in a pile.
2. Ask another player: "Do you have a small b?" If yes, take it. If no, they say "Go fish!" and you take a card from the pile.
3. Put down every pair you make. The player with the most pairs wins.

4. Quick games

Sort the cards into three piles by color · Put the capitals in ABC order · Find all the letters in your name.
